**TOP FIVE PIN BOWLERS** among all Army, Navy and Air Force Veterans units in B.C. is the honor won by White Rock Branch No. 46. Trophy put up by the Veterans' Dominion Command is for annual competition. From left to right are Jack McLean, president White Rock branch; Charles McLean,

team captain; and Verne Sampson, sports chairman. In the bottom row, from left to right, are Bob Sampson, Syd Johnston, Keith Campbell and Gord Taylor. The local men won the trophy in open competition with all other B.C. units during a recent tourney.

## Anne Fennell named first Sea Queen Monday by WRASA

### Conservation of water urged by Fire Chief

**Emergency exists due to heavy local sprinkling**

Fire Chief D. Williams is asking the full co-operation of the citizens of White Rock and Sunnyside to restrict the use of their domestic water supply to a greater extent than is permitted under the present sprinkling regulations.

"An extreme emergency exists in lack of water during this dry spell, by people endeavouring to save their lawns and gardens which is insignificant in comparison to having to extinguish a possible fire when life and property may be involved," said the chief.

He suggested the following ways in which gallons of water could be conserved to combat fire:

- Do not let garden hose run all night.
- Repair leaking connections.
- Run off only half as much water as you would ordinarily getting a cold drink.

### Many prizes donated by White Rock merchants to local contestants

Anne Fennell, 16-year-old all-round swimming athlete, was crowned White Rock's first "Queen of the Sea" by Mrs. Harry Vidal, the 85 year old "First Lady" of White Rock Amateur Swimming Association, on the float at the pier, Monday, the official opening of the swim season. Watched by hundreds of spectators the tiny beloved swimmer who has scarcely missed a swim meet since she started the club more than 30 years ago, placed the daily sea-shell crown upon Anne's head.

"Queen Anne" is the daughter of Mr. and Mrs. Ed Fennell of Johnston Road. In her position as "Queen of the Sea," Anne will have a new role to play for whereas in the past she has been on the receiving end of many trophies for both diving and swimming, this season Anne will make the presentations to all girls held locally.

Crowning of the queen came in the intermission of a well-rounded program of aquatic entertainment of which one of the most amusing events was the comely-relay between the local Lions and Klansmen. On the winning Lions team were Barney Lemieux, Lynn Sully, Norman Slade, and Dennis Fairbank. Happy-lucky losers were Klansmen Emmett Casselman, Murray Sanford, Don Munro and George Good.

"Evolution of Swimming" was another interesting presentation with eight year old Bobby Sweeney demonstrating the dog-paddle stroke; Yvonne Woodard, the side-stroke; Nora Stubbart, former Dominion back-stroke champion, the breast-stroke developed and had become a favorite, was demonstrated by Dorothy Cook and Helen Stewart of the Vancouver Swimming Club.

### Former Olympic star performs

Other artists taking part on the program were, five year old Mary Stewart, B.C. juvenile aerobic champion and Terry Connolly well-known diving champion.

Mrs. Noel Oxenbury, former Olympic star, gave an exhibition of ornamental swimming while Queen Anne came through with an impressive diving exhibition. Gifts won by Miss Fennell included bathing suit donated by Dorothy N. Sharp, shoes from Watson's Shoe Store, Shoe polish kit from Payton's Shoe Store, \$5 gift certificate from The Fashion Centre, \$2 from The Hub, pair pajamas from Lih-lah's Dry Goods, box chocolates from McKenzie Fraser Ltd., champagne from Rosemont Florists, earrings from T. Christensen, Jeweller, handkerchiefs, Park Theatre, free membership and season's swimming lessons.

Second prize went to Denise Lemieux who received \$5 gift certificate donated by Ann's Dry Goods, figurine from Barge's Hardware, theatre pass from Park Theatre, tin hamlets and Palmer's biscuits from Overwater Ltd., free membership and season's swimming lessons.

Third was Elizabeth Bosley who won a gift certificate donated by Kathleen Shaw, box chocolates from Joyce's Cafe, free membership and season's swimming lessons.

### Swimming lessons now underway

Connie Whittle was fourth and was given a gift donated by Rose Jar, box chocolates from Lih-lah's Dry Goods, free membership and season's swimming lessons.

Elaine Smith was sixth and was given a T-shirt donated by Gardner's Variety Store and a free membership.

Seventh was Mary Ann Proctor who was awarded committee donated by Hood's Drug Store and free membership.

Swimming lessons are now underway with coach Ann Winters and Betty Ball in charge. New members may be enrolled any day at the Beach Umbrella just east of the pier.

For families with three or more children, special rates are available. The Tank Secretary, C. E. Berry, will be at the beach every day to enroll swimmers and arrange times for lessons.

### MRS. S. H. BROWN MISSES \$100 OFFER

Mrs. S. H. Brown, 1175 Johnston Road, would have been \$100 richer if she had attended the Park Theatre last Tuesday night. Mrs. Brown was not in the theatre when her name was called during the regular Fortune offer so the prize has been upped to \$100 next Tuesday.

## Local Soroptimists given \$1000 by unknown donor

A legacy of one thousand dollars has been left to the White Rock and Blaine Soroptimist Club.

News of the legacy was given at the dinner meeting held at Tara Supper Club June 26 attended by 63 members and friends. Name of the donor was withheld.

Terms of the bequest were "To be used in the philanthropic work of the club under the direction of Mrs. Hilda Wilson."

### INSTALLATION

Mrs. Lillian Paul of Blaine was installed as president of the club by Mrs. Lillian Bralin, president of Chilliwack club.

Other officers installed were: Dorothy Newman, of White Rock, vice-president; Bernice Yeum of Blaine, vice-president; Nola Onkles of White Rock, treasurer; Nina Bredford, Blaine, recording secretary; Billy Erickson, corresponding secretary; Rena Royal, Blaine, and Betty Huff of White Rock were installed as directors.

New members initiated into the club by Miss Dorothy Browning, president of Vancouver club, were: Mildred Olson and Ellen Linder, of Blaine, and Catherine Smart of White Rock.

Rev. Pitt Griffiths spoke on the scope for service and human kindness.

### EXECUTIVE GUESTS

Special guests were Mrs. Pitt Griffiths and delegates from the New Westminster and West Vancouver Soroptimist clubs as well as the new executive of the Vancouver club.

Mrs. Dorothy Stanforth, retiring president of the International White Rock and Blaine Soroptimists, who headed the club in its first year, was presented with a past president's pin and an evening bag as a gift from the club members. Lillian Paul, the new president, made the presentation.

**GUEST SPEAKER** at first anniversary dinner of White Rock B.C. and Blaine Wash. Soroptimist Club was Rev. E. Pitt Griffiths, who spoke on the role of service in the life of the community.

### Boulter elected P-TA president

G. Boulter was elected president of White Rock Parent Teachers' Association at the annual meeting held June 28 in White Rock Elementary School.

Other officers elected were: W. Pollock, 1st vice-president; Miss Betty Huff, 2nd vice-president; Mrs. L. Davidson, secretary; and C. Berry, treasurer.

### COMMITTEES

Committee chairman elected were: Program, Mrs. Jack Todd; membership, Mrs. P. Proctor; publicity, Mrs. Janice Shaw; refreshments, Mrs. H. Trukey; resolutions, Mild Brown and Murray Sanford; safety, W. Davidson; health, Mrs. Arthur Murray; and literary, Mrs. M. Mead.

Room with the highest average for attendance of parents at P-TA meetings for the year was W. Davidson's room.

Winner of the P-TA medal for proficiency was Barbara Longmore, Grade 6 pupil.

### UPS DONATION

The meeting went on record to bring up the donation to the dental clinic to \$700. The sum of \$115 was turned over to the dental clinic immediately and the remaining \$585 pledged for the end of the year.

Mrs. Max Mead was appointed in charge of registration of the five year olds for the dental clinic. Registration will be held at the Baby Clinic, July 25, 26 and 27.

## THIS WEEK'S SEMIAHMOO SUN IS SAME SIZE ONLY BIGGER

The same size only bigger is the way Semiahmoo Sun readers will find their paper this week. An extra column has been added to each page in this edition.

Former wide margins have disappeared and in their place more news stories have been added. Artistically the paper does not look as neat, but readers will receive 12 extra columns or more pages of news than formerly.

In addition, this move will enable the Sun to better utilize its newspaper consumption in this time of world shortage. The 20 per cent saving will ensure a continuous service to readers under the present newspaper quota system.

# Camp Alexandra aids needy mothers

By CHRISTINA STEWART  
Camp Alexandra, on the sunny shores of Crescent Beach, one of the two camps in B.C. that offers a vacation to needy mothers, opened its doors again on June 1, to some 700 campers who will enjoy the hospitality it offers.

Apart from Camp Pionero, operated by the First United Church of Vancouver, it is the only camp that bids a welcome to the weary mother accompanied by her child. "I would say unhesitatingly," as

says Mrs. Myrtle Judge, the capable supervisor, "that our most important function is that of providing for the mother, harassed by the ever-present problems of a mere existence."

We undertake to provide for her an oasis to which she can turn from the drudgery, and often squalor, that hems her in, and where through rest, relaxation, and recreation suited to her needs, her warped, or lost perspective is restored to her so that living can again become a meaningful and

creative experience."

## THREE PHASES

The second and third phases of the camp's program are providing a recreational program for the children, who quickly respond to the environment of the camp, and to provide activities which are geared to suit the years and fading strength of the elderly campers.

The work began from the old Alexandra Orphanage, as a summer camp for parentless children. Mr. Percy Gomersy, who is still on the board of directors, came out to Crescent to find a suitable location on which to erect a summer camp, and as the result of that visit, the choosing of this property. For two years it was used for orphans and then was rented to churches for needy families.

Originally the money for the camp's maintenance was raised through donations by city school children. Public tin cans were distributed for collection holders. Now the Community Chest and Welfare Federation are the motivating forces behind the camp's activities.

Mrs. Myrtle Judge, Executive Director of the Camp, is both a dynamic force and a sweet influence. Public tin cans were distributed for collection holders.

Mrs. Sheila Chapman is visiting relatives at Morris, B.C. Congratulations to Mr. and Mrs. Bill Gardner on the birth of their daughter.

## COMING EVENTS

The monthly meeting of the White Rock and District Horticultural Society will be held in United Church Hall on Tuesday, July 10, at 8 p.m. Mr. Alford Pervell will discuss "Carnations and How to Grow Them."

Monthly parlow show, garden flowers, potted plants and decorative classes included. Visitors are welcome.

A garden tour is being held by the Ladies' Auxiliary of the Crescent Fire Brigade at Shamrock Farm, the home of Mr. and Mrs. D. McCarthy, on Wednesday, July 11, at 2:30 p.m. There will be entertainment and guest speaker; also a home-cooking sale.

The Church of the Abencon, Crescent, will hold a garden party at the home of Mr. and Mrs. Peter Bain on Tuesday, July 17, at which Bishop G. P. Gower and his wife will be present.

The Idler, published in 1758, stated that "the trade of advertising is now so near to perfection that it is not easy to propose any improvement."

## AROUND CRESCENT

### Community Hall site to be chosen at meeting on July 7

A public meeting which is of vital importance to all Crescent residents will be held at 8 p.m., Saturday, July 7, at the Fire Hall. The matter under discussion will be the site of the Community Hall.

Several sites have been mentioned, but until the vote of the general public can be obtained, no definite decision can be made, so EVERYONE is asked to attend.

The beautiful garden at "Munah," home of Mr. and Mrs. Peter Hale, was the setting for the annual picnic for the students of the Anglican Sunday School.

A delightful tea was served by ladies of the church, among the willing helpers were: Mrs. Holden, Mrs. Newton-Clarke, Mrs. Griffiths, Mrs. Normyrie, Mrs. Johanson, Mr. Tom Campbell, Canon Hale, and Rev. Griffiths were in charge of the children's parties. Many thanks are due to Miss Weatherburn who is in charge of the Sunday School, and organizes this annual treat.

The ladies of the Crescent Fire Auxiliary are planning their annual garden party to be held at "Shamrock Farm," home of Mr. and Mrs. McCarthy, on Wednesday, July 11. There will be home cooking, and a well-known guest speaker is expected. There will be a door prize.

The CBSO has commenced for the summer season. Mrs. Morrow is head coach, and will welcome all who wish to join the swimming class.

All the owners of summer homes have been busy over the holiday weekend, getting all fixed up for the long vacation. The owners of the new "Barbours Home" on McKendree Street have taken up residence in their beautiful new home. It will be recalled that fire completely destroyed their former home, early this year.

Les Johanson, daughter of Mr. and Mrs. Harold Johanson, "Haddon Villa," recently celebrated her 5th birthday. Les has made quite a name for herself as a talented young singer.

Mr. and Mrs. Stan Winters and family left recently to spend a few months at Birch Bay.

## Farewell party honors Ray Shepherd teacher

A farewell party in honor of Miss Dorothy Armstrong, popular teacher at the Tay Shepherd School for the past two years, was held on Monday, June 25, at the home of Mrs. A. Page.

A picnic and white color scheme was carried out in the decorations, and was repeated in the "Shower" cake, which was decorated by the hostess.

On behalf of friends assembled at the party, Mrs. Neville-Smith presented the guest of honor with a wool bedspread.

Games and contests rounded out a pleasant evening, after which a dainty lunch was served.

## TRIBUTE

Mrs. Dorothy Beckett, now residing in Crescent, held this position for 23 years. Mrs. Judge states that if it were not for her guidance in the past the camp would not be where it is today.

The Active Club has been a faithful and helpful friend to the camp throughout the years. These men have labored weekends putting up buildings, making alterations and seeing to the needs of the camp in general. At present they are busy completing the Anderson Administration Cottage, in memory of Mrs. J. Anderson, who served on the board of directors for a number of years. She passed away three years ago leaving \$1000 for camp purposes. Nothing had been done with the money until now. This new building will house the staff, administration rooms, and supply additional wash rooms and showers. In many instances the Active Club have not only labored voluntarily but have also supplied materials.

The camp is licensed to serve 100 campers at one time. There are seven camping sessions throughout the summer, each two weeks in length. Elderly campers and mothers with pre-school children attend for the month of June, allowing the remaining two months to be free for the mothers with school children.

## FEES LOW

The fees charged vary according to family income and need. As a rule the charge for adults is \$8 for two weeks in charged and \$2 for children for the same period. Families unable to pay fees are helped by service groups. For people on social assistance \$5 for two weeks is charged and \$2 for children for the same period.

Camp Alexandra is comprised of four main buildings, containing a huge dining room, recreation room, wash rooms, miniature

hospital, play-school, kitchen, staff quarters and accommodation for 120 beds and 12 cots.

The staff includes a trained nurse, whom Mrs. Judge declares is one of the best, a cook, dining room supervisor, program director, who is a trained social worker, and four other helpers; all working together harmoniously creating a happy atmosphere throughout the camp.

"As convincing evidence that there is no slackening off in need for the services our camp renders, we have only to glance over the files of applications sent to us by city social agencies and our own records which tell so many pathetic little stories of the struggles and hardships that go on at the bottom level of today's complex society," reports Mrs. Judge.

## CHERRY CHATTER

### Small tree fruit offers luscious winter eating

Most varieties of cherries are ripening now and you will soon be eating this luscious little fruit in desserts as well as preserving them and making them into jams, jellies and pickles for winter enjoyment.

Some varieties, such as Bing and Queen Anne, are wonderful for eating just as is, but they can also be cooked and used in desserts and may be frozen so that you can serve "fresh" cherries all the year.

Four pie cherries are, of course, ideal for most desserts and for jams and jellies.

The following recipes are some of the best from my files. Try them and let me know how you like them.

**PRESERVING CHERRIES**  
Put or leave whole, ripe, firm cherries. Pack in clean, hot jars and cover with a boiling "thin" syrup (1 cup sugar to 2 cups water) to within ½ inch of the top of the jar. Seal and process in a boiling water bath for 25 minutes.

For a richer preserve, cook cherries in a "medium syrup" (1 cup sugar to 1 cup water) for 5 minutes. Let stand overnight or for 4 hours. Pack cherries in clean, hot jars. First syrup to boiling and cover cherries to within ½ inch of the top of the jar. Process in a boiling water bath for 20 minutes. This method gives you plump, rich cherries.

#### FREEZING CHERRIES

Select fully ripe cherries. Wash and stem. Pitting is not essential, but pits will give an almond-like flavor to the cherries.

#### Sour Cherries

Pack with sugar allowing 1 cup per quart of cherries. Juice from pitted cherries will provide sufficient liquid. Mix well with sugar to prevent oxidation. In packing

fruit in moisture-proof containers, allow 2 to 1½ inches at the top for expansion in freezing. Cover containers tightly and freeze as quickly as possible.

**Sweet Cherries**  
Pit and crush for sauce or pack whole in a 50% syrup (1 cup sugar to 1 cup water). Pack coarsely crushed cherries with sugar 3 to 1.

#### MARASCHINO CHERRIES

Royal Anne cherries are nearly ready and here is a wonderful way to use them to make a very attractive and popular garnish.

This is the easiest and fastest recipe I have found and it makes very nice Maraschino Cherries.  
1½ pounds Royal Anne cherries  
1 cup lime water  
4 cups cold water  
3 cups sugar  
1½ cups water  
2 tablespoons red vegetable coloring

2 tablespoons almond extract  
Wash cherries, fill with solution of lime water and cold water. Let stand 4 hours, or overnight. Remove cherries, wash thoroughly and pit. Make a syrup of sugar, 1½ cups water and coloring. Bring to boil, add cherries and boil gently for 15 minutes. Let stand 24 hours. Bring to boil again, add flavoring. Pack in hot sterilized jars and seal. Makes 2 pints.

#### CHERRY JAM

This is an excellent recipe. If you want sweet cherries, substitute ½ cup lemon juice for ¼ cup fruit. A delightful flavor may be

achieved by adding a drop or two of almond extract just before pouring the jam.

4 cups pitted chopped cherries  
7 cups sugar  
1 bottle fruit pectin  
Add sugar to fruit and mix well. Place over high heat and bring to a full rolling boil. Boil hard, stirring constantly, for 5 minutes. Remove from the heat and add pectin. Mix and skim for 3 minutes. Pour into hot, sterilized jars. Seal with paraffin. Makes 16 six-ounce glasses.

#### JEWEL JAM

This is a jam with a delightful flavor. You can use strawberries in it too.

4 cups cherries, pitted  
7 cups sugar  
2 cups crushed pineapple, well drained  
8 cups strawberries  
Boil cherries for 5 minutes and add pineapple and strawberries. Then add sugar and boil until thick. Pour into hot, sterilized jars and seal.

#### CHERRY RASPBERRY CONSERVE

Raspberries are ripening now, so here is a recipe that will make use of them.

4 cups cherries, pitted

4 cups raspberries  
2 cups seedless raisins  
6 cups sugar  
1 cup chopped walnuts, optional

Wash and pit cherries. Wash raspberries and drain well. Clean raisins and add to fruit. Bring to boil and add sugar. Boil rapidly for 20 minutes. Add walnuts and cook 2 minutes longer. Pour into hot, sterilized jars and seal.

#### SPICED CHERRY OLIVER

This is one of my cherished and prized recipes. Try it and I know that you will see why.

2 quarts firm Bing cherries  
3 cups vinegar  
1 cup water  
½ cup sugar  
1 tablespoon cinnamon  
1 tablespoon white mustard seed  
1 teaspoon allspice  
1 teaspoon whole cloves  
1 teaspoon salt  
Clip stems of cherries short. Pack into clean, hot jars. Bring vinegar, water, sugar and spices to a boil and boil for 8 minutes. Pour over cherries and seal tightly. These are ready to be used after 2 weeks of standing. Makes 2 quarts.

#### CHERRY DESSERTS

There are many wonderful des-

serts that you can make with cherries. Here are just a couple of them.

#### Cherry Upside-Down Cake

This is a lovely looking and lovely tasting dessert.

2½ cup sugar  
2½ tablespoons corn starch  
2½ cups sour cherries  
1½ cup shortening  
½ cup sugar  
1 egg  
½ cup orange juice  
½ cup brown shreds  
1 teaspoon grated orange rind  
1½ cups flour  
½ teaspoon salt  
2 teaspoons baking powder  
¼ teaspoon soda  
¼ cup milk

Mix sugar and corn starch. Add cherries. Pour into greased 8-inch pan. Cream shortening, sugar, egg and beat. Add bran and clip, alternately add dry ingredients and liquids. Pour over cherries in pan. Bake at 375 degrees for 40 minutes. Invert on serving plate. Serve with whipped cream.

#### CHERRY JUBILEE

This is an easy and very attractive dessert.

1 pound sweet black cherries,

pitted  
2 cups water  
Juice of 1 lemon  
1 pint vanilla ice cream

Make a syrup of water, sugar and lemon juice. Bring to a boil and add cherries. Simmer for 10 minutes. Remove cherries and boil syrup down to half. Add cherries and pour over firm vanilla ice cream while hot. Serve immediately.

## Tomato Cheese Salad

THIS star feature at many a summer meal is a salad. One that's worth starting in a sparkling bowl. The salad made with tomato soup.

With the condensed soup as a base, this gets into salad is a joy for sheer easiness. Creamy cottage cheese is pulled through the salad, adding flavor punch and making it pretty as can be.

For party meals or family affairs, you can count on Tomato Cheese Salad to please appetites all around. Serve your luncheon club a salad with this salad—with dairy sandwiches like the rolled watermelon favorites. Give the salad to the family with bean sandwiches for a July summer lunch.

**TOMATO CHEESE SALAD**  
1 envelope unseasoned gelatin  
1 envelope cold water  
2 cans (1½ cups) condensed tomato soup  
1 tablespoon lemon juice  
1½ tablespoons finely chopped onion  
1 cup (½ pint) cold water  
Soften the gelatin in the cold water. Heat the tomato soup in a strainer until it is completely dissolved in the soup. Mix in the lemon juice. Cool the soup until it begins

to thicken; then stir in the chopped onion and chunks of cottage cheese. Pour mixture into 4 individual or 1 medium-size mold. Chill until firm. Unmold on crisp greens. Makes 4 servings.

#### SOUP SCOOPS

**CONSUME COOLERS:** Pep up hot, pork and beans are successful just as is or with some special garnish. Give them a new flair this year. Pour the beans from the can into a casserole; top them with some onion rings and frankfurters arranged like spokes of a wheel. Heat in a moderate oven. To easy casserole, pour soup. Wrap it in several layers of newspaper. Then it will stay hot.

**PORK AND BEANS PICNIC STYLE:** Always a summer menu hit, pork and beans are successful just as is or with some special garnish. Give them a new flair this year. Pour the beans from the can into a casserole; top them with some onion rings and frankfurters arranged like spokes of a wheel. Heat in a moderate oven. To easy casserole, pour soup. Wrap it in several layers of newspaper. Then it will stay hot.

# The SNAPSHOT GUILD

You'll get double pleasure from a picture like this if you can show it to your fellow snapshotting enthusiasts.

## How About a Camera Club?

SPRING is coming up fast, with the summer snapshotting season just around the corner. This makes it a good time to consider whether or not it wouldn't be instructive and entertaining to get together regularly with a group of friends to compare work and discuss your ideas on the fascinating subject of picture taking.

As you know, such groups are usually called camera clubs. However, the difference among the groups is so great that it sometimes seems the greatest thing they have in common is their name.

The activities of any club should be based on the interests of its members—and it is to be successful, a club must be made up of people whose photographic interests are similar. Obviously, it is impossible to arrive at a satisfactory program if one-third of your group were interested only in the simplest snapshotting while another third had ambitions toward salon-type pictures and the rest were primarily interested in perfecting their darkroom technique.

## Surrey Council approves resolutions for UBCM

(From the Semiahmoo Sun Cloverdale Bureau)

Council approval was given to seven resolutions which will be presented on the floor of the Union of British Columbia Municipalities, meeting at Harrison Hot Springs in October.

Support of these resolutions will be sought to provide for government action for projects which the Council feels are essential, not only to Surrey but also will benefit other municipalities.

### DRUG AID

The first asks the Provincial and Federal governments to assume the cost of medicines and drugs for the 65 to 69 age groups under the old age pension scheme.

The council feels that there are more people who will be affected by that than those asking for social assistance under that age group.

The Provincial government will be asked to make a survey of all municipal and inter-municipal water courses, to provide for a more efficient system of soil conservation, especially in the low lying areas.

The Council will again seek government aid in municipal borrowing for capital purposes.

### ABOLISH GRANTS

The government will be asked to increase payments for social services, recipients of 80-20 across the board, including increases in allowances. At present municipalities are paying on the 50-50 basis for payment increases.

The Council also seeks the abolition of the "per diem" hospital payments by municipalities; also equalization and distribution of the 2 per cent Social Assistance and Municipal Aid Tax. It is claimed the municipalities are not getting their fair share of this money.

The Council also opposes the action of the Government in amending the Superannuation Act, making employers responsible for administration costs.

Financial aid will also be sought from the Provincial government for all Victorian Order of Nurses bedside nursing. It is claimed the VON saves the government many thousands of dollars in keeping patients out of hospital and the government grants are not sufficient to offset this saving.

4th in a series to bring you the facts about your Hospital Insurance plan

## Why was Co-Insurance Started?

1. To control abuse of hospital benefits and therefore help relieve the bed shortage.
2. To keep premiums as low as possible by charging a small sum to those who actually receive benefit.

One of the main problems in any hospital insurance plan is that some people will abuse the benefits. They will go to hospital when they don't need to, and will stay longer than they should. This situation results in overcrowding of hospital beds, and increased costs. Co-insurance was started to help control this situation.

Co-insurance is designed to reduce the patient's length of stay in hospital and thereby make more beds available, and in the long run reduce costs. Unfortunately there are some people who, because they pay a premium, feel that they are owed something that they can only collect by occupying a hospital bed for as long as possible. People who pay fire insurance do not want a fire, nor when they pay automobile insurance do they hope for an accident. In each case, the insurance is protection against something which is hoped will never happen.

Hospital Insurance is protection against the expense of future illness. A protection, however, designed for those who are really sick and not for those people who wish to enter hospital on any excuse solely because they paid a premium. Hospital accommodation is intended primarily for those who need skilled professional care.

The co-insurance rate is determined by the hospital's public ward rate, and ranges from \$2.00 to \$3.50 a day, for the first ten days of hospital stay. The most any individual or family group (which includes all listed dependents) will pay in co-insurance for any single year is limited to ten days co-insurance charges. Regardless of how often a person (or his dependents) may go to hospital in any one year, only a total of ten days co-insurance may be charged.

In addition to controlling abuse, co-insurance will help to raise money to pay for the higher hospital costs. Without it, premiums would be even higher than they are today. With it, the highest standard of care can be given at the lowest reasonable cost to everyone by making a small charge to those persons actually receiving benefits.

It is the wish of the government to keep operating costs of the plan, and also premiums, as low as possible. Co-insurance will help to do this.

The next article in this series will deal with the question "What are the facts of the hospital bed situation?"

Be sure to read these messages. They deal with your Hospital Insurance plan—a plan which has \$40,000,000 for more than 500,000 hospital cases, and is providing benefits for thousands more each month.

## THE CORPORATION OF THE DISTRICT OF SURREY

Public notice is hereby given to the taxpayers and residents of White Rock and vicinity that effective as of the third day of July, 1951, payment of municipal taxes, sewer rates, water rates, trades license fees and dog taxes and applications for building, electrical, plumbing and oil burner permits, also applications for water and sewer connections will be accepted at "The Hub," Hilltop, White Rock.

In view of the fact that all records have to be retained at the Municipal Hall, Cloverdale, and cannot be duplicated, all requests for information and complaints regarding service or any other matter will still have to be dealt with at the main office.

This sub-office has been established for your convenience and it is hoped that it will provide service satisfactory to you. This step at present is largely experimental and your co-operation in making it a success is earnestly solicited.

By Order of the Municipal Council.

PERCY LIVINGSTONE,  
Municipal Clerk.

# Dental clinic to begin in October, \$190 still needed

White Rock and District Dental Clinic will go into operation October 1 of this year.

This was the decision of the board members following the reading of a letter from Dr. F. McChinn, director of preventive dentistry of the Provincial Health and Welfare Department, giving assurance of a provincial government grant of 11000 towards the clinic.

## DONATIONS

Mr. J. S. Sudds, president of the dental society, revealed that there was still \$190 to be raised of the community's portion. Mr. Sudds thanked the organizations which have contributed to date the sum of \$400. Known donors include \$150, Soroptimists 775, Lions Club have pledged \$75, White Rock P.T.A. \$80, Sunnyside P.T.A. \$30, Ray Shepherd P.T.A. \$25, Rock Auxiliary to the Army, Navy and Air Force Veterans \$25, and Army, Navy and Air Force Veterans \$10. Parents of the children have pledged dental work for \$3 per year for each child.

The plan calls in the first year for the treatment of all Grade 1 students in White Rock Elementary, Ray Shepherd and Sunnyside Schools. Registration for the Grade 1 pupils will be held September 4 at each of the three schools.

## PRE-SCHOOL

As the object of preventive dentistry is to start dental treatment as early as possible in order to correct cavities early, thereby preventing tooth infection spreading to other teeth the board decided to begin this year with treatment for 20 pre-school children.

Registration for children who will be five years old by December 31, will be held at the Baby Clinic at White Rock in the Super-daily Shop, Wednesday, July 25, 2-4 p.m. In Canadian Legion Hall, Thursday, July 26, 2-4 p.m. and in the Presbyterian Church Hall, Friday, July 27 at 2 to 4 p.m.

Mrs. J. Bell was appointed at the meeting as vice-president to represent Ray Shepherd School on the dental clinic board.

## VON head traces growth at dinner

Indication of the growth of the work of the VON in Surrey was pointed out by Mrs. James Scott, board president, at the annual dinner of the VON, held in White Rock Lodge, June 21.

In outlining the history of Surrey VON, Mrs. Scott told the 30 members and friends present, that since the first grant of \$250 was made in 1938 (one year after inauguration) the size of grant required had multiplied by 20. The grant to be requested in 1951, Mrs. Scott said, would be \$5,000.

First president of the board was Mrs. J. D. MacMillan, first secretary was Mrs. A. Marchion of Cloverdale, Miss Phyllis Bond was the first nurse and Miss Mary Martin first relief nurse.

Besides Mrs. Scott, other guests at the dinner were nurses of the district, Miss Mary Sibberts, Miss K. Angus and supervisor, Miss K. Ross, retired nurse, Miss Mary Martin, past president, Mrs. Kay Woolard of Vancouver, and Mrs. L. Mason, also of Vancouver.

Two new members welcomed were: Mrs. Cecil Parsons and Mrs. E. Casselman.

## ENGLISH VISITOR

Visitor from London, England, Mrs. M. Broadbent, and her friend, Miss E. Robinson, of Vancouver, have been spending a few days in White Rock at the cottage of Dr. and Mrs. Weldon, Marine Drive.

Mrs. Broadbent will be staying in the west until the middle of July when she will leave for Toronto. She will be returning to England in September. Miss Robinson, who is president of the B.C. Weavers Guild, has been enjoying the pleasant weather and vacation in White Rock with Mrs. Broadbent.

## INQUIRY BOARD HEAD

Sydney J. Smith, M.L.A. from Kamloops heads the Hospital Insurance Inquiry Board which opened June 25 at Vancouver. Private inquiry will take up the first two weeks, prior to public hearings.

The other members of the committee are as follows: D. C. Brown, Esq., M.L.A., 599 Taylor Street, Vancouver, B.C.; A. W. Lendell, Esq., M.L.A., P.O. Box 20, Revelstoke, B.C.; Capt. D. J. Proudfoot, M.L.A., 1547 Despard Avenue, Victoria, B.C.; R. C. Steele, Esq., M.L.A., Vanderhoof, B.C.; H. J. Welsh, Esq., M.L.A., Qualicum Beach, V.I. B.C.; H. E. Winch, Esq., M.L.A., 712 Holden Building, Vancouver, B.C.; Walter Hendricks, Esq., M.L.A., 829 Davies Street, Nelson, B.C.

## Closky and Kuhn to central defense body

Surrey Council authorized Councillor Jack Closky and Councillor Theo. Kuhn to attend the civil defense meeting at Abbotsford on Wednesday. The meeting was convened to appoint a central committee to administer the "Cushion" area which comprises the municipalities of the Lower Fraser Valley.

Council also authorized the payment of mileage to Col. E. A. Pittman, White Rock, Surrey's Civil Defense Coordinating Officer, if he were named to represent Surrey on the committee.

It was pointed out that Surrey's financial obligation would be \$32 towards capital expenditure for office equipment and administration, and \$12 a month for operation.

Councillor V. McPherson believed that if an organization was set up it must inevitably involve expenditure of money.

Councillor Lloyd H. Atchison claimed that Surrey "is a cushion area for Vancouver and New Westminster, and why should we have to pay for it?"

Councillor Closky reported on the complete organization of Surrey's six districts with Wardens and other officials, ready for emergencies.

## WEEK BY WEEK

## In the Garden

G. E. SERY, Garden Editor

Plenty of water is needed to keep vegetables fresh. Gardens cannot grow hot water when. When dry weather is accompanied by high temperatures, careful watering practice may save you lots of trouble, and loss.

The reader will doubtless say, "What about the water restrictions?" Well, that is your problem, not mine. All I can do is to tell you what you should do to get the most out of your garden and not to produce good vegetables and flowers. If you are restricted in the use of your hose, try the bucket method of watering your vegetables.

## NEED ONE INCH

First, the quantity of water is important. Gardens need (but don't always get) at least one inch of water each week; and if this does not fall in rain, it should be applied from a hose.

Do not apply it in daily shallow doses, but soak the ground six inches deep at each application. This will entail doing one spot only each day, until all the ground is eventually treated in this way, and then you can start over again and repeat. A proper soaking should last a week.

Next comes the time to water. (This may not fit in with restrictions.) The best time is early morning; next, during the day when the sun is shining; (oh yes, this is true in spite of the old warning not to water in the sun!) and the least favorable time is in the evening.

If it is necessary to water during the evening, do not wet the leaves of the plants, since they will remain damp all night and this will encourage moulds and fungi. Plants are much like human beings, you know. How would you like to take a cold shower in the evening, and stay outside without drying yourself?

Where there is a humid climate, and homes have too much shade, both encourage plant diseases by keeping leaves damp. Sunshine is the best preventive, dry leaves the next, and the last resort is a fungicide.

## WATER EARLY

Lawns should be watered in the morning, or while the sun is shining, and never sprinkled with a hand nozzle, because the holder fires before the lawn gets enough. There are many inexpensive sprinklers which operate with little attention and spread water evenly. Let them stay long on each area in one place to wet the soil several

inches deep.

For vegetable gardens it is especially important not to wet the leaves of lettuce, chard, and other leaf crops. It is better to keep water off all vegetable leaves, except when the sun will dry them quickly. Some method of flowing water directly to the roots without washing out miniature gullies is required.

One of the best is a canvas hose which leaks, and serves the purpose of an irrigation ditch. If possible get one the exact length of your garden row, so that it can be lifted to another spot when one area has been thoroughly soaked.

For bushy flowers there are special tubes and nozzles which will spread the water near the roots without wetting the leaves. Many prefer to use a piece of wood on which water is allowed to flow directly from the hose, without a nozzle. This is an effective spreader.

## WASH BUSHES

While leaves should not be allowed to remain damp long, most plants enjoy a morning shower bath, on a dry day when they will dry quickly. Evergreens need frequent washing, and this discourages insects, red spider in particular.

Don't forget the evergreens and shrubs in your watering schedule. Newly planted specimens need regular watering during their first year, when their root systems are limited and must get food and water for the plant within a small area. Young plants which succumb during their first year usually suffer from insufficient water.

Summer mulch on soil helps plants and will save much cultivating. A mulch is a covering laid on the soil to protect the roots of plants. In the winter it keeps the front out, and in the summer it keeps the moisture in.

Mulching, say the research men, will do all the good that cultivation can, without doing harm. For the lifetime gardener this is all to the good. It combines leisure, which all gardeners enjoy, with better gardening—a rare hook-up. And as mulching becomes more popular, much mulches develop

## CORN COB MULCH

Latest is ground-up corn cobs, which florists are using in their greenhouses when they get it at the right price. Corn cobs are a by-product of hybrid corn seed plants and are becoming plentiful and cheap, where this seed is grown. Ground cob is light, porous and weed-free. If applied 4 inches deep around tomato plants, or between rows, it will keep weeds down, let both air and moisture into the ground and prevent drying out.

The lovely thing about corn cob

mulches—and other good mulches, as well—is that the directions say: "Spread it on the ground around the plants, and then leave them alone." No more hoeing!

Strange things have been discovered in tests of mulching. Ohio State University found that grass made a good mulch, growing between the rows. Instead of the hoe the gardener uses a lawn mower! Newspapers, many thicknesses deep, held down by stones, serve well. Lawn clippings, dried first, then spread on the ground, with the first layer hoed into the soil

are fine. Manure is excellent, except for the weed seed; others are straw, salt hay (weedless), peat moss, pine needles, coconut fibre, sawdust, burlap, dried leaves.

Remember, apply a mulch over moist soil. Soak the soil first in the summer. And remember that if the soil ever does dry out under the mulch, you may have to remove the mulch to soak the soil quickly. This is especially true of

paper mulch and rocks, and concrete slabs, which are being used in some sections of modern gardens.

Following an enemy attack there will be many situations in which the public will have to act on their own initiative.

FIRST AID is a primary requirement . . . Lack of knowledge can result in confusion . . . Knowledge of what to do can, if acted upon quickly, save lives.

Casualties are caused mainly by blast — falling debris — shock — burns — radiation.

Explosion of an atomic bomb will greatly increase the known effects of high explosive weapons and introduce radiation problems.

. . . After an atomic explosion do not take chances with food and water in open containers.

. . . Do not start rumours.

## IMMEDIATE FIRST AID

**SHOCK**—Lay patient flat on ground—wrap in blankets—apply hot water bottles—give tea or coffee with sugar—NO alcohol!

**BURNS**—First—treat as for shock; no hot water bottle to burned areas. Cover burned area with dry sterile dressings — NO greasy substance. Give plenty of fluids to drink. Get medical aid as soon as possible. Do not remove clothing—Do not break blisters—Do not try to clean burns.

Complete rest is essential.

**WOUNDS AND BRUISES**—Stop bleeding . . . cover with sterile dressing —treat as for shock. Get in touch with First Aid Post as soon as possible.

**HYSTERIA**—People suffering from shock are likely to behave in a dazed manner. They must be controlled at once and kept apart from others as panic can easily spread. If possible move to a quiet place.

# White Rock man weds nurse in rites at Conquest, Sask. June 16

In a beautiful ceremony before the altar in a flower bedecked church at Conquest, Sask., on Saturday, June 16, Miss Mabel Head, P.N., of the staff of the University Hospital, Edmonton, Alberta, second daughter of Mr. and Mrs. Henry A. Head, Conquest, became the bride of Mr. John Charles Rogers, RCAF, Edmonton, son of Mr. Slater and the late Mrs. Slater, White Rock, B.C.

To the strains of Lohengrin's wedding march, played by Mrs. Simha, the bride, wearing a gown in a dress of white brocade tulle, with looped hem, showing the lace underskirt, with pearl and veil on boucled hair, and carrying a bouquet of red roses, entered the church leaning on the arm of her father. She was attended by her bridesmaid, Ken Crockett as matron-of-honor, wearing a dress of rosewood tulle, and carrying a colonial bouquet of asters and roses, with head-dress to match, and Doris, as bridesmaid, gowned in blue net over brocade tulle, also carrying colonial bouquet and wearing head-dress. Mrs. Ken Crockett, of Edmonton, supervised the groom.

The bride's mother wore a lace trimmed dress of cream colored net and her grandmother was gowned in blue silk faille. The groom's mother wore brocade blue silk crepe, and his grandmother wore a dress of grey with roses of American Beauty. All wore coronas to match.

The ceremony was performed by Rev. W. Dorman, pastor of the Conquest United Church.

During the signing of the register, Miss Jean McMillan, wearing a floor length gown of blue silk, sang the appropriate selection "Because." Mrs. Dorman, who presided at the organ, also wore a floor length gown of blue silk net.

Ushers were the bride's brother, Paul, and Mr. Duncan McMillan.

The groom's gift to the bride was a gold pendant. Gifts to the matron-of-honor and bridesmaid were carried by the groomsmen, a tie-pin, the ushers, cuff links; the organist, scatter-pins, and solist, earrings.

The happy couple left the church as the chords of Mendelssohn's wedding march pealed forth, and immediately were engulfed in a host of friends who showered them with good wishes and confetti.

Following the ceremony the party adjourned to the home lawn, where cameras snapped from all angles, and later sat down to a wedding reception in the basement of the United Church, which was decorated with pink and white streamers and wedding bells. The toast to the bride was proposed by her uncle, Mr. Arthur Ribbald, and was suitably responded to by the groom. A number of congratulatory telegrams were read from Ottawa, Victoria, Calgary, White Rock and Edmonton. The table was centred with a four-tier wedding cake beautifully decorated by Mrs. C. G. Smith. Servitors were Mrs. Emerson and a group of C.G.T. girls.

Late in the afternoon, in a gaily decorated car piloted by Mr. Bert Smith, the bride and groom left for Saskatoon, from where they continued their trip to Edmonton, and will spend a month in Vancouver.

Guests from a distance were the groom's mother, Mrs. Slater of

White Rock, B.C., his grandmother, Mrs. Parr, Victoria, B.C.; Dr. Gilbert, Miss M. Ellis, Miss M. Clark, Mr. and Mrs. Ken Crockett and Phil Head all of Edmonton, Alberta; Mrs. E. T. Ribbald, Mr. and Mrs. H. Benson, Mr. and Mrs. L. Fisher and Mrs. A. Horn, of Saskatoon; Mr. and Mrs. A. Dried, Zeeland; Mr. and Mrs. Dick Holderness, Quill Lake; Mrs. Kila Head, Tisdale; Mr. and Mrs. S. Kennedy, Millard; Mr. and Mrs. A. Ribbald, and Mrs. Mrs. M. Ribbald, Ardath, and Mr. Lew Dugan, Millden.

## Local couple home from two month trip

Mr. and Mrs. W. G. Higgins have returned to White Rock after a two-month trip to the east coast, in the course of which they visited their daughter at Lachine, Quebec, and Mrs. Higgins' sister at Worcester, Mass.

Driving along the eastern seaboard, Mr. and Mrs. Higgins visited several of the seaside towns, and stayed at famous Old Orchard Beach, in Maine, which they describe as "seven miles of silver sand."

In reporting some of their impressions of the trip, the Higginses said they found the Atlantic Ocean very cold, and the roads down that way wonderful.

One of the most interesting things the tourists encountered was a combined fish hatchery and outdoor movie show which was free to the public. Rows of seats were arranged in the centre of the hatchery, and each evening films were run off which showed what the Province of Quebec was doing in regard to fish culture and the restocking of lakes and rivers.

The only trouble Mr. and Mrs. Higgins reported running into on their trip was a week of electrical storms and rain which followed them from Ontario to Western Montana.

They said that while they were in the East it was surprising how many people stopped at their car and asked questions about British Columbia.

While she was in Lachine, Mrs. Higgins was presented with her 25-year membership pin in the daughters of England, of which Order she is a past president.

## Local couple home from two month trip

Mr. and Mrs. W. G. Higgins have returned to White Rock after a two-month trip to the east coast, in the course of which they visited their daughter at Lachine, Quebec, and Mrs. Higgins' sister at Worcester, Mass.

Driving along the eastern seaboard, Mr. and Mrs. Higgins visited several of the seaside towns, and stayed at famous Old Orchard Beach, in Maine, which they describe as "seven miles of silver sand."

In reporting some of their impressions of the trip, the Higginses said they found the Atlantic Ocean very cold, and the roads down that way wonderful.

One of the most interesting things the tourists encountered was a combined fish hatchery and outdoor movie show which was free to the public. Rows of seats were arranged in the centre of the hatchery, and each evening films were run off which showed what the Province of Quebec was doing in regard to fish culture and the restocking of lakes and rivers.

The only trouble Mr. and Mrs. Higgins reported running into on their trip was a week of electrical storms and rain which followed them from Ontario to Western Montana.

They said that while they were in the East it was surprising how many people stopped at their car and asked questions about British Columbia.

LEGION NOTES

# Weekend carnival is cancelled; Blaine visit

A sense of frustration seems to have permeated the White Rock Legion air in recent weeks. A magician who failed to appear as scheduled was our first disappointment.

Then came failure of the Parliamentary Committee on Veterans Affairs to endorse the Legion brief for an across the board increase in the basic pension rates and a letter from our own William Mott, M.P., advising us that he too, would favor the supplementary allowance rather than the proposed basic rate increases. Mott advised us that he hopes to be given an early opportunity to explain his action to Legion members.

## Five baby clinics planned locally

Surry Public Health Services has announced five well baby clinics in this area during July. There will be one each at Sumpside and Crescent and three in White Rock.

Dates and times as released this week are as follows:  
July 6: Sumpside Community Hall, 2:30-4 p.m.  
July 10: Cloverdale, Health Centre, 2-4 p.m.  
July 12: Cloverdale, Health Centre, 2-4 p.m.  
July 19: Crescent Fire Hall, 2:30-3:30 p.m.  
July 25: White Rock, Superfund Shop, 2:30-4 p.m.  
July 26: White Rock, Legion Hall, 2-4 p.m.

July 27: White Rock, Presbyterian Church Hall, 2-4 p.m.

**CARD OF THANKS**  
We wish to express our sincere thanks to the many friends and neighbours who gave their kindness, sympathy and beautiful floral offerings during the illness and death of our beloved husband and father. Special thanks to the White Rock Branch No. 8, Canadian Legion, the White Rock Branch, No. 6, OES, Dr. Hogg and Dr. Blades, and to Rev. Peter Connor for his kind and comforting words.

**Population up 20%  
Telephones up 56%**

Throughout Canada there have been two causes for the increased demand for telephone service since the war: (1) population growth, and (2) a far greater percentage of people wanting service. Of course, the demand has been relatively greater in this province than anywhere else in Canada, because for a number of years B.C. has been Canada's fastest growing province.

While B.C.'s population has increased approximately 20% since the war, telephones served by the British Columbia Telephone Company have increased more than 56%.

Yet despite this great telephone expansion, there is still a waiting list for service.

LUCILLE DUMONT

One of the singing stars of the popular CBC musical show, *Rhythmes de Paris* which won a prize in the 1950 Canadian Radio Awards is Lucille Dumont (above) who alternates with Mariel Milard on the program.

Lucille is almost entirely self-taught. Born in Montreal, her first break was in 1935, when she was 16; she won a prize in an amateur radio contest. Five years ago she had a chance to sing in South America and France but the offers came on the eve of her marriage, so she developed her career in Canada instead, with Mart Kerner's orchestra and in numerous network shows.

Rhythmes de Paris is heard on CBC's Trans-Canada network Fridays at 6 o'clock.

As a precaution against cheating, medieval butchers were not allowed to sell meat by candlelight.

## Miller, Hogg named to Council board

Councillor Richard Miller and Dr. R. J. A. Hogg were elected honorary vice-presidents of the South Surrey Cancer Unit of the Canadian Cancer Society at a meeting held, June 22, in White Rock Lodge.

Mrs. J. Ormsby Lee and J. Caruth were appointed vice-presidents, and added to the board of directors were: Mrs. Christopher, A. Stevens, and Le Verna Adams of Crescent, John Bowles of Sumpside, D. Turnbull of Elgin. Dr. R. J. A. Hogg lectured on the film, "You-Time and Cancer." Next meeting of the unit will be held September 14 at 8 p.m. in White Rock Lodge.

## Miss M. Meed named to Public Education group

Miss M. Meed was appointed Parent-Teachers' Association representative on the Surrey Public Education Committee, at a meeting of the Parent-Teacher Association Council held in Simon Cunningham School, June 21.

Election of officers for the Council was postponed until Fall meeting.

A high-school scholarship fund along similar lines to that of Burnaby Teacher scholarship fund will be the project of the council for next year, was the unanimous decision of the meeting. Invitations to school principals, and Parent-Teacher Association delegates will be sent for the September 27 meeting which will take the form of a social.

# CHURCHES

## Church Hospitals

There are five United Church hospitals in British Columbia. The work was outlined by Mrs. Charles Baker at the June meeting of the Friendship Circle of White Rock United Church Women's Auxiliary held at the home of Mrs. Peter Oetzel.

Mrs. Blake told the 18 ladies present that the work is the result of devotion and faith. The hospitals which are located at Bella Bella, Bella Coola, Sardis, Bulkley and Burns Lake, all have distinguished medical men as their doctors. Doctors and nurses alike are on 24 hour call each day. About 50 per cent of the patients treated are Indians. Treatment covers out-patients, in-patients, obstetrics. A great number of emergency cases are treated; these are usually industrial accident cases.

The hospital committees are made up of residents of the community. Mrs. Blake said these committees are in a hand in installing plumbing and doing electrical work as well as other improvements. At the Lake Hospital the resident doctor is Dr. Holmes and all the nurses there are registered nurses.

## Bishop visits

Paths in the growth of the work of the Anglican parishes in the district was expressed here Friday following the first visit of the Rt. Rev. Geoffrey D. Wootton, D.D., Bishop of New Westminster, Diocese.

Members of Holy Trinity Church and of the Church of Ascension, and of St. Matthew's Church, Hall's Prairie, who gathered at Holy Trinity Church to welcome the bishop, described him as "familiar, friendly and a true leader."

The bishop's visit was a three-fold one, falling on St. Peter's Day. It began at 10 a.m. when he was met at the home of Holy Trinity church. In the afternoon the bishop addressed the women of the three parishes and in the evening he met the men of the parish at a supper.

Missionary work and the growing need of Christianity in the world today was emphasized by Bishop George at the evening meeting. He told the members of the forward movement which is to be launched by the Church and called upon the members to be ready to support the extension fund that the Church be enabled to do a greater work in this diocese.

## Sermon topic

Berni Geric topics of Revelation were the text of the sermon to be delivered by Dr. P. Boutier of Calgary at White Rock Presbyterian Church, Campbell River Road, Sunday, July 7 at 11 a.m. During the months of July and August the evening service has been discontinued.

Friday, July 11 is the day set for the "Sunday School Convention" a "one-day" basket-plate to be held at the IOOF camp on Semiahmoo Indian Reserve. Meeting place will be on the church grounds at 1:30 p.m.

## Friendship Circle

Used for a little more kindness was stressed by the women of the Friendship Circle of United Church W.R. at the June meeting, when H. H. Nicholson, president of the circle, read an article by Rev. Dr. R. C. Chalmers warning of the United Church of Canada against schism and class distinction.

In the article, Dr. Chalmers pointed out the danger of the church becoming snobbish and complacent and forgetting the duty was to administer to all classes. He urged the church not to be afraid of offending the people by venturing forth on new paths of evangelism and by promoting some new line of Christian social endeavour.

In the discussion that followed the reading of the article by Mrs. Nicholson, the members lived up to the name of their group and with one accord agreed that kindness to those who did not see eye to eye with them is the only way they would go a long way towards making a better world.

## SUNNYSIDE NEWS

Sunnyside pack holds  
Open House; win awards

The First Sunnyside Pack, under the leadership of Cubmaster E. Hicks and Assistant Cubmaster J. Dillworth, held Open House at Sunnyside Hall the evening of June 29.

A fair crowd attended and were rewarded by a little special program put on by the Cubs. A series of films were also greatly enjoyed.

Servive Stars and Badges were presented by Badge Examiner W. B. Hicks.

Those receiving first year Servive Stars were: Martin McCreay, Larry Wick, Wayne Wood, Colin Sharp, David Oliver and Don McMill.

First Stars were awarded to: Joe Jarvis and Brian Cascardo; Roedel, Tognabelli, as well as First Aid badges were: Eugene Hicks, Fred Dewick, Gary Bonan, Roger Melnichuk, David Dillworth and Roy Stagner.

First Aid Badges went to: John Dillworth, Peter McBride, Eugene Hicks, and Roy Stagner.

Other badges received were: House Orderly, to Peter McBride; Artist Badge to Colin Sharp; Collector's badge to David Dillworth. A display of shipwork done by the boys was of much interest to the visitors.

A vote of thanks was given Mrs. Bell, chairman for providing music for the boys. Cubmaster E. Hicks and his assistant, J. Dillworth, were also tendered a vote of thanks for their interest in their work with the boys of Sunnyside's First Cub Pack.

Other committeemen present were N. Cascardo, P. McBride and P. Stantford.

Our local mail carrier, L. Lloyd, left by plane for Kitimat where he has accepted employment at the Aluminum plant. Enthusiasts on the route will miss the friendly smile to which they have become accustomed.

Guests at the home of Mr. and Mrs. Neil McDonald were Mr. and Mrs. J. E. Young and their son Gibson, of Vancouver.

Baby clinic at Sunnyside Hall from 2 to 4:30, July 6.

Mrs. Geo. Laycock spent a few days in Vancouver last week.

Mrs. F. Mickelson returned to her home in Sunnyside, having spent some weeks a patient in Royal Columbian Hospital.

Mr. and Mrs. Ray Berry and daughter Dianna of Vancouver, were guests of Mrs. Margaret Berry last weekend.

Mr. and Mrs. E. Cox who have been vacationing at Ocean Falls, have returned to Ocean Falls.

The section of Sunnyside between Johnston and Clow Roads was paved June 28. People living along this road will be happy in the absence of the huge billowing clouds of dust which rose every time a car or vagrant breeze passed down the road. Pedestrians can now discard the shoes with specially reinforced soles when walking this bit of road. Most folks agree that the sample is good, and wonder when Sunnyside will be all paved.

Mrs. G. Christie, our local librarian, reports that in spite of the busy season quite a number made use of the Fraser Valley library service at Sunnyside Hall, June 28.

Miss Marie Haines and her brother Len are visitors at the home of their grandparents, Mr. and Mrs. T. G. Haines.

Local ball clubs are  
busy; Ladner kayoes  
White Rock Monday

Ladner and White Rock hardball teams met here Monday night, June 25. The locals lost to the visitors 20 to 5, but Ray Woodward deserves mention for a nice homer on the sixth inning.

On Tuesday evening June 26, White Rock girls played one of their best games this season, defeating Cloverdale 6-2.

Reverners and Stevensons tangled at Semiahmoo Ball Park on Wednesday, June 27, and the former team was held scoreless up to the last innings, when they got two home, making the final score 10-2. The only homer of the game was hit by Les Roberts of Stevensons.

Mr. and Mrs. Don Baker and son Ricky, left for the Interior on Monday, where they will spend their vacation.

Mrs. A. N. Swift and daughter Paul, of New Westminster, were guests of Mr. Swift's parents, Mr. and Mrs. A. C. Dell.

R. P. Stanforth left for Victoria on Monday where he will spend a month at Summer School.

The sympathy of the community is extended to Mr. and Mrs. J. Stagner and Roy on the passing of Mr. Stagner's mother, June 25.

Mr. and Mrs. Harold Gustafson of Constable Road, accompanied by W. Gustafson of Reid Road, left for a motor trip to Saskatchewan where they will spend a month.

Francis Carson and his brother Billy of Bellingham, are visiting at the home of Mr. and Mrs. V. Gable.

Fairwell get-togethers of teachers and pupils of Sunnyside school were features of the last week in June.

Miss E. Scott and her pupils had a picnic at Semiahmoo Park, June 21, which was well attended and much enjoyed.

Miss Pallas and Miss McInnes took their pupils to Sunnyside Park for their picnic, June 22. This was the first picnic of any size to be held in Sunnyside's new park.

Mrs. L. B. Hawker, principal of Sunnyside School was in charge of Grades 6 and 7 pupils at the Beach Party which took place at White Rock, June 26.

Sunnyside welcomes Mr. and Mrs. C. Cunningham and children, Shirley and Bobbie, who have taken up residence in the home formerly owned by Mr. and Mrs. Jack Scott.

Rev. E. F. Church was guest speaker at Sunnyside United Church on Dominion Day. He chose as his sermon, "The Unfathomable Glory of God."

Sunnyside United Church reports that Friday, July 20, is the date set for add-turning ceremonies to take place at the church site on Sunnyside Road near Clow. This will be followed by a turkey supper and entertainment which will take place at Sunnyside Community Hall. Watch this column for further announcements.

Crescent moon elected  
to Liberal executive

Leslie C. Johnson of Crescent, Ocean Park, Elgin Liberal Association was elected to the executive of Delta Riding Provincial Liberal Association in Cloverdale Liberal Hall, June 26.

William Poppy, president, presided and the entire slate of officers was elected by acclamation. Meeting was addressed by Arthur Ash, M.L.A. for Saanich; Mrs. Klisick, president of the B.C. Women's Liberal Association; Foster Fisher, M.L.A. for 74th Morgan, chief organizer for B.C., also spoke.

Waltons and Elgin played softball on Friday evening, June 29, at the local Ball Park, and while the former team took the lead in the sixth inning, Elgin succeeded in scoring enough to wind up with an 8 to 6 win.

Reverners were victorious over Waltons when they met on Sunday, July 1. Had Waltons proved stronger in the field they might not have been defeated to the tune of 19-7.

At the Exhibition game on the holiday afternoon, July 2, Elgin won over Reverners 8-3.

Next Sunday afternoon Elgin will play the Imperial Oil team of Vancouver, the latter team, it is understood, has not been defeated this season. It will be an Exhibition game.

One of the largest crowds to witness hardball this year turned up Monday evening, July 2, and saw a peppy display between Cloverdale and White Rock. The White Rock hardball team will play Thursday evening, July 5, at Ladner.

Schedule for next week is as follows: Friday, July 6, Softball: Waltons vs. Stevensons.

Sunday, July 8, Softball: Elgin vs. Reverners.

Tuesday, July 9, Hardball: White Rock vs. Bellairs.

Monday, July 10, Softball: White Rock Girls vs. Lynden.

Wednesday, July 11, Softball: Reverners vs. Stevensons.

All games are at 7 p.m.

Coleman-Middleton rites  
performed in Vancouver

Guests from various points in the State of Washington were present at the wedding on Saturday, June 30, of Shirley Joan, daughter of 10, of White Rock, and Marshall Allan, son of Mr. and Mrs. Allan Coleman of Vancouver.

The ceremony was performed in St. Mark's Anglican Church, by Rev. T. W. Scott officiating.

The petite bride wore a gown in imported ballroom style fashioned of imported white French lace over ice blue tulle and featuring a sweetheart neckline, full puffed sleeves and a blue velvet sash.

## CARDS HOSES

A shoulder-length veil of tulle edged with Gulpure lace was fastened to her head with lily-of-the-valley, she carried a bouquet of pink and white roses.

Miss Wendy Maureen Middleton, who acted as bridesmaid to her sister, wore a gown of yellow eyelet organza, fashioned, like the brides, in ballroom style. She wore a floral hair-spray of Black-eyed Susans, and carried mauve and white sweet peas mixed with Black-eyed Susans.

The gowns of both bride and bridesmaid were made by the bride's mother.

Harry Middleton acted as best man at the wedding, and Percy Love and Kenneth Coleman, brother of the groom, were ushers.

## INTERIOR HONEYMOON

During the signing of the register, Mr. E. Josephine Wood, of

## CONSERVATION

(Continued from Page 1)

Conserve water in the shower and bath.

Please co-operate and remember how under dry everything is and what a tough time one would have to comb a fire with inadequate water supply.

He pointed out that this season is probably the last that such a condition will exist as at this minute the construction of two or more water supplies was being rushed.

This will give an additional one million two hundred thousand gallons of water, and it is hoped that the department will have a modern piece of fire equipment in order to take advantage of this water supply.

British Columbia and from the State of Washington were present at the wedding on Saturday, June 30, of Shirley Joan, daughter of 10, of White Rock, and Marshall Allan, son of Mr. and Mrs. Allan Coleman of Vancouver.

White Rock, sang "I Love Thee." Following the ceremony a reception

Legislators are guests  
at Auxiliary party

Mr. and Mrs. William Mott, Mr. and Mrs. Alex Hope and Reeve and Mrs. Charles Schultz will be guests of the West End Group of the White Rock Hospital Auxiliary at the Garden Party to be held Saturday, July 8, at the home of Councillor and Mrs. V. A. McPherson, 270 Terry Road.

Tea will be served in the afternoon from 3 to 5 p.m. and will be followed with a smorgasbord supper, served from 5:30 to 7 p.m.
